

## Descendants of John Holt, Sr

Generation No. 1

1. JOHN1 HOLT, SR was born Abt. 1740, and died Bef. 1800 in Granville? Co, NC. He married ELIZABETH? (HOLT) Abt. 1760. She was born Abt. 1740, and died Bef. 1800 in Granville? Co, NC.

Notes for JOHN HOLT, SR:

I am designating this John Holt as Senior, since there was a succession of 4 John Holt's in this line for sure and maybe more.

This John Holt appears as early as 1769 on Granville Co. NC Tax rolls. He appears on the 1784-7 NC State Census and the reconstructed 1790 Federal Census as well as Land records, Tax rolls, Marriage records and Court records. Other than Marriage Records, he and Charles were the only adult Holt males on record in Granville Co. NC from 1769 to 1800.

I have been unable to locate this John Holt after land sales about 1793-7 period in Granville Co. NC. There is No identifiable appearance on any 1800 Federal Census.

The number of children are based upon the 1784-7 N.C. State Census with Charles and Anne added to it. There is a possibility that James and his wife might be included in the household figures with John Sr. John Sr 2 wm 21- 60, 4 wm -21 5 wf all ages

Only John Sr., Charles and Anne are listed on the 1786 census, so if James and Sarah were listed in John Sr's household that would make 7 children

Notes for ELIZABETH? (HOLT):

I am speculating this name based on the Court information included on my Charles Holt Timetable and Paper Trail Report as shown on my Website. It refers to an Elizabeth Holt, (wife of a John Holt), who failed to appear in court as a witness.

More About JOHN HOLT and ELIZABETH? (HOLT):

Marriage: Abt. 1760

Children of JOHN HOLT and ELIZABETH? (HOLT) are:

2. i. CHARLES<sup>2</sup> HOLT, b. 30 Mar 1762, Prince William Co, VA; d. 19 Sep 1847, Blount Co, AL.
- ii. ANNE HOLT, b. Abt. 1764, VA or NC; d. Bef. 1860; m. JOHN THOMAS, 08 Oct 1784, Granville Co, NC; d. Unknown.

Notes for ANNE HOLT:

John Thomas, husband of Anne Holt appears on the 1784-7 NC St. Census, and the 1800, 1810 Granville Co. NC Federal census. There appears an "Elizabeth Thomas" 26 to 45 yrs of age and 11 children on the 1820 Granville Co. NC Federal Census. Perhaps this was Anne with an actual first name of Elizabeth.

Notes for JAMES HOLT:

I have yet to confirm this James Holt as a son of John Holt, Sr but have every reason to believe him to be. I am still trying to recruit a male Holt of this line to join our DNA Y Chromosome project.

Notes for JOHN HOLT, JR:

There has been a DNA Y chromosome match that has connected this John Holt line with that of the Charles Holt line effective June 2005. Speculative relationship claims made, by some from both lines, that we are from the Hans Michael Hold/Holt German line has finally been totally disproved by DNA.

MARRS--possibly, or more probably, a cousin. The above is speculation but could make for interesting follow-up.

wife, Minneford F. Kitchel Holt, my mother and kids traveled to Fort Chaffee Ar. almost every weekend for a month or 6 weeks, to the out-patient clinic for shots prior to going to Germany. With Zuella were her two kids, Patty and Bill, with whom I became very good friends over the years 1950 -1952. Patty and I were only a year or so apart in age so we became close and at a later date I will relate some tales of our trips while riding the train to and from school in Frankfurt. We had some high old times. Patty has since died and Bill currently lives in Oklahoma City.

[Artalisa.ged]

Jefferson, as he was known, taught his first school in 1910. In 1917, he moved his family from Mt. Judea, Arkansas, to Antlers, Oklahoma where he taught school two terms. Then the family moved to Eufaula, Oklahoma. In 1940 the family moved to Whittier, California. While living there, Jefferson worked at night for a gasoline service station. He saved enough money to buy a station of his own and another station. However, the gas and oil on his hands caused cancers so he sold the stations and moved to Highland, a suburb of San Bernardino, California. Jefferson went to work in the Patton State Hospital at age 63, remaining until he was 70. The family moved into San Bernardino, and then after a heart attack in 1960, they moved to Fontana, California, to be near their youngest daughter, Wanda.

Billie was stricken with cancer of unknown origin and was mistakenly treated for bursitis for nearly 6 months before it was discovered that the cancer had spread throughout her body. She lived approximately one year after the first noticeable symptoms.

Ala. Birth Certificate.

Billie died of adenocarcinoma cancer which was first diagnosed 2-9-1996. Primary site was not determined. It had metastasized extensively in her bones and organs when found.

Notes for MELINDA LEE HOLT:

[JohnFHolt.FTW]

[Brøderbund WFT Vol. 36, Ed. 1, Tree #0766, Date of Import: Jan 26, 2000]

Melinda was born 4/5 months premature. She weighed only 2 lbs at birth, but was completely formed, at least externally. Barbara, her mother, never saw Melinda nor was she able to attend the funeral at Havana, AR. The baby was taken, in her small casket, to her great-grandparents home in Havana prior to

burial in the Havana cemetery. Wes was accompanied on the trip from Little

Rock by good friends Irving, (Buck) McFall and James (Rock) Pierce, both of whom served in the Air Force with Wes, being stationed at Little Rock Air Base at Jacksonville, AR.

It was raining the day of the funeral and the grave that had been opened had filled up with water. Wes went to the cemetery early and when some of the others got there was in the process of dipping the water out with a three pound coffee can. This upset some of the folks, that he would be in the grave where his daughter was to be buried, and they insisted that he get out of there and let them do it. It really wasn't bothering Wes, but he obliged them and the rest of the water was dipped out by Buck and some I think by Glen Taylor, Barbaras Uncle. I remember on the drive up to Havana, I, Wes, sat in the front seat of Bucks old Ford, between Buck and Rock and Rock refused to look behind him all the way. He was from Mississippi and had some beliefs and fears regarding the dead and he was just not comfortable at all with Melinda in the back seat. When we arrived at John and Bessie Lewis home (better known as

Pappy and Mammie), Wes and Buck carried the baby in and set it on the couch

by the front windows, still in the casket of course. Pappy said to let it be there, as there would be folks coming and going all day and in the morning until the burial, and that is what we did. Barbara remained in the hospital in Little Rock during this time and was never to see the baby. I sometimes think this was a mistake on our part, but it was what the Dr. recommended at the time.

Following the short graveside service, Wes, Buck and Rock went back to Little Rock. Wes, of course, to the hospital and Barbara, with discriptions and explanations as to how everything went. I still feel bad about Barbara never having seen the baby, even now at this late date in our lives. At least I got to see her before she died. I got to see her move, even if for the least little bit. A finger wiggle, a leg move in a feeble kick and her head turn a bit to the side. But Barbara never got to see even that much. She, Melinda, was just to small and not strong enough to survive and Barbara was so sedated that she was unable to even walk to the preemie nursery. I have never thought it right that I got to see her and her Mother didn't.[ChasHolt.FTW]

[JohnFHolt.FTW]

[Brøderbund WFT Vol. 36, Ed. 1, Tree #0766, Date of Import: Jan 26, 2000]

Nicky, as she was called by her folks died of SIDS or Crib Death. She was found in her crib early one morning, not breathing, but it was too late for anything to be done to help her. Also the birth date listed for Nicky is correct. She was born prior to her mothers marriage to Jimmy Leach and carried the Holt family name even though she is listed as a Leach in these files.
